

If you only make one school trip this year -  
make it SafeWise Weymouth

# Junior Citizen

Our primary schools programme

**safewise**

SKILLS FOR LIFE

[www.safewise.org](http://www.safewise.org)

SafeWise is supported by fire, police and health services and local councils

# Bring PSHE and Citizenship to life at the ultimate child safety destination

Realistic and immersive learning experiences will equip your children with the skills, knowledge and confidence to help them live active, healthy and safer lives.

## Discuss, Decide and Do

See the change in your children as they actively engage in realistic scenarios within the safe environment of **SafeWise Weymouth**.

Our full day **Junior Citizen programmes** are tailored for **Key Stage 1** or **Key Stage 2** to match your PSHE national curriculum and help you fill the crucial **skills for life** gap.

**A fun and engaging day** will promote teamwork, improve communication skills and build confidence as children are challenged to respond to realistic situations, think for themselves and take responsibility for their choices.

Your children will enjoy a packed day of interactive situations which bring vital fire and road safety to life in our ground-breaking and innovative centre.

## Supercharge the rest of your curriculum

Use your **SafeWise** visit as a launchpad for exciting project work across the curriculum such as Maths and English.

Teachers report changed relationships with their more challenging pupils as a result of positive experiences at **SafeWise**, impacting progress in the classroom.

## In the words of a teacher...

*"Every scenario was informative, fantastic experiences, hands on. Everything relates to real life situations, so really relevant to them, pitched exactly right for their age and worries.*

*"Excellent guides! I could see how experienced with children they are as the group were managed brilliantly. What they have learnt today will stay with them for a long time.*

*Thank you".*

Programmes for KS1 and KS2 include age-relevant content. Build a visit at each Key Stage into your long term planning! We recommend Year 2 and Year 5

# Your visit

**SafeWise Weymouth** is securely contained all on one site at Weymouth Fire Station, and is easy to find with on-site coach parking. Your visit lasts from 10am - 2.30pm, giving enough travel time to and from school (please arrive at 9.45am latest for a prompt start).

After a welcome, children complete a fun **skills for life** quiz to establish their current knowledge levels.

Trained staff and volunteers guide small groups through a series of interactive and timed scenarios with a break for lunch. Children are quizzed on departure to discover how much they've learnt. Children will also take away a safety checklist to complete in their home with their families.

# More to explore

**SafeWise Weymouth's** ground-breaking and innovative education centre features a full-sized outdoor road network and street scene including traffic lights, pedestrian crossing and more.

Our incredible interactive fire scenarios show how quickly a fire can become life-threatening and bring vital fire safety lessons to life. The centre includes dedicated classroom facilities and other scenarios such as water safety, camping and healthy eating.

Our trained team will engage your children more than ever before as they **discuss** options, **decide**, and then actually **do** it - all in a safe and engaging environment.

## Skills for Life - see the change

**'We know schools are madly busy with Maths, English and tests - but don't forget your children need vital skills for life. We can help fill your curriculum gap and add wider benefits.'**

**'As a former primary deputy head, I know from experience the impact of learning outside the classroom. It can transform your relationship with pupils, make a huge impact on academic progress and prepare them for life in the real world. Make a statement about what you think is important by booking a trip to SafeWise!'**

**Rob Hattersley**  
(SafeWise Chief Executive)

Cut the cost of coach hire with

# Damory

Contact Annette Gregory on 01258 457101 or email [bookings@damory.co.uk](mailto:bookings@damory.co.uk) to book or get more details.

We've worked with Damory for significantly reduced coach hire prices (terms & conditions apply):

- **£100 for coach hire from a school within 8 miles of either SafeWise centre\***
- **£140 for coach hire from a school within 15 miles of either SafeWise centre\***
- **£165 for coach hire from a school within 25 miles of either Safewise centre\***
- **£195 may be available for some schools in South Somerset and East Devon\***

\*In order to qualify for these specially negotiated prices, groups must be collected at a time which allows a home-to-school journey to be completed prior to the pick-up, and allows for a school-to-home journey to be completed after the pick-up. The friendly sales team at Damory will be pleased to be able to help you with arranging this.
